

## Registration Regulations

ALL athletes are required to show photo ID. **NO ID, NO RACE, NO EXCEPTIONS.** Every single participant in your race must have a photo ID, this includes all relay participants. Youth athletes without an ID must be accompanied by a parent/guardian with a photo ID. Annual members are required to bring their membership card every time they compete in a USAT sanctioned event. If their card has been lost, they can download and print out a temporary one at <https://www.usatriathlon.org>.

### **Important things to remember during packet pickup:**

- Below is a breakdown of all membership fees:** USAT form must be filled out completely and signed for each option below
  - Adult Annual Membership - \$39
  - Adult One-day Membership - \$10 (**credit card can NOT be used for one days**)
  - Youth (age 17 and under) Annual Membership - \$5 (this is an annual membership, one-day memberships are NOT available for youth)
- Athletes may only pick up their own packets.** Under no circumstances may an athlete pick up a packet for another person. Regarding relays, all relay members must be present to receive the packet, or split up the relay packet for each participant.
- If an athlete does not bring a photo ID to packet pickup they have two options:**
  - Go home to get it
  - Have someone fax them a copy of their photo ID
- If an athlete does not bring their USAT membership card to packet pickup they have three options:**
  - Go home to get it
  - Find internet access where a temporary card can be printed
  - Purchase a one-day membership for \$10 which can later be applied to a membership renewal by submitting a receipt of purchase
- Athletes that need to purchase a one-day license must sign the USAT waiver if it was not included on the event registration form or process.
- Annual members do not have to sign a waiver at packet pickup because they already signed it when they applied to become an annual member.

**This information was available: on The Team Magic website, your Team Magic race confirmation, USAT website, and IMATHLETE website.**
