

CHATTANOOGA WATERFRONT TRIATHLON BIKE COURSE
 SPRINT 20K | 12.4 MILES INTERMEDIATE 40K | 24.8 MILES

Intermediate Bike Turn Around For 2nd Loop

Bikes will be slowed down in this area to make the turn around for the 2nd loop.

PLEASE follow direction and show caution when making the turn around and merging with bikes beginning their 1st loop.

Cones, Signs & Staff Direction will be used to assist with the turn and the merging process.

BIKE COURSE DESCRIPTION

EXIT:

- NO RIDING IN TRANSITION
- Bikers Mount Bikes on Chestnut St at SE Corner of the Transition Area
- Right on Riverside Drive from Chestnut Street
- Proceed EAST or RIGHT from Transition on Riverside Drive

COURSE DETAIL:

- Riverside Drive becomes Amnicola Hwy between mile 2 & 3
- Bikes will ride in the INSIDE LANES out and back
- Cones will separate bikes from automobiles
- Police and course sentries will be utilized throughout the course for traffic control and racer direction
- Bike turn around at 6.2 miles / 10k - after Dupont Pkwy & beyond Chattanooga State Community College entrance

RETURN TO TRANSITION / BIKE FINISH:

- Proceed WEST on Amnicola Hwy to Riverside Drive back to the Race Transition Area using the INSIDE LANE
- Sprint racers will complete one out & back trip for 20k or 12.4 miles
- Intermediate racers will be directed to turnaround and head back out on the same out & back section, for a total of 40k or 24.8 miles
- All bikes finishing will dismount at Bike Start / Finish Line at the SE Corner of Transition Area - NO RIDING IN TRANSITION

NOTES ABOUT THE COURSE:

- Ride in the INSIDE LANE with cones on your RIGHT
- Cars will be traveling in the adjacent lanes, so please say between the cones and the center lane at all times
- Remember to ride to your RIGHT at all times unless you are passing
- You will cross train tracks at 3 locations on the course. While the tracks are flush with the pavement of the road, please do show caution when crossing as you will experience a change in surface.
